

About us

We at HEART 2 ART are an all-inclusive and family-based company, providing creative one on one mentoring and group workshops for NDIS participants.

Our purpose is to help our participants meet their goals and explore their creativity in a friendly environment.

Get in touch

We run our workshops across the Tweed, Gold Coast, Logan and Brisbane region.

We are a team of creative professionals passionate about helping you to reach your potential. We are mobile and can come to you.

CREATIVE WORKSHOPS AND MENTORING

Release
your imagination

What we do

At HEART 2 ART we believe you have a story to tell. Creativity can be an opportunity for you to express yourself and discover your creative voice. We break down technical difficulties, assisting you to grow your skills.

Follow a 12 week workshop course or join one of our community group workshops.

We also offer a 1:1 mentoring program if you're looking for something tailored just for you.

OUR WORKSHOPS

PAINTING + DRAWING

Acrylic, water colour, gouache. Discover timeless techniques and create stunning works of art that you'll be sure to display proudly for years to come. create everything from beautiful landscapes to intricate illustrations.

CARD MAKING + SCRAPBOOKING

Dive in with our beautifully unique and tactile card making and scrapbooking workshops. Learn to create, match and compose elements to create timeless pieces of art – perfect for gifting, or displaying in albums to look back on in years to come.

JEWELLERY MAKING

Using delicate beads, semiprecious stones and shells to create beautiful pieces of wearable art. Learn to craft wonderfully unique jewellery items that you'll be proud to wear.

PHOTOGRAPHY

Discover the magic of documenting and preserving life's most beautiful moments. Designed for aspiring photographers and videographers looking to grow in confidence, explore new techniques and gain creative inspiration.
